PLANNING  
STAGES

19

MEETING  
TYPES

Our first conversations are complimentary and designed to determine mutual fit.  
Formal planning begins when both your family and SIG believe there is strong  
alignment.

## — COMPLIMENTARY CONSULTATION &amp; ALIGNMENT

### Initial Consultation & Discovery

COMPLIMENTARY

A first conversation to understand your goals, questions, and overall financial picture. We may offer secure eMoney vault access so you can optionally share documents before we meet.

### Vision Alignment Meeting

OPTIONAL

A second conversation, when helpful, to include other decision-makers, clarify goals, answer questions, and determine mutual fit.

## — CLIENT ENGAGEMENT &amp; ACCOUNT SETUP

CS

### Client Engagement & Account Setup

When both your family and SIG see strong alignment, your Client Service Associate guides agreements, eMoney setup, document collection, account openings/transfers, and the Risk Profile Questionnaire. Virtual or in person.

## — FINANCIAL PLAN &amp; STRATEGY

### Personalized Financial Plan & Strategy Review

Your planner reviews your financial plan, key opportunities, risks, recommendations, and initial strategy.

### Strategy & Implementation Follow-Up

AS NEEDED

A deeper session to refine investment, tax, estate, income, or protection strategies before or during implementation.

90

### 90-Day Progress Review

Review early progress, completed items, next priorities, and confirm the relationship is moving forward well.

#### YOUR JOURNEY

These first three stages establish the foundation. Formal planning begins after mutual alignment is confirmed.

## 04 • ONGOING PLANNING &amp; OPTIMIZATION

# Your plan, continuously *refined*.

Ongoing planning meetings keep your financial life current, coordinated, and aligned with what matters most.

## Financial Planning Update

Refresh the plan around life changes, goals, family priorities, and new opportunities.

## Financial Planning Assumptions Review

Collaboratively review the assumptions driving your plan — retirement age, spending, inflation, longevity, Social Security, and more.

## Investment / Portfolio Review

Review portfolio performance, allocation, market conditions, and alignment with your goals.

## Tax Planning Meeting

Identify proactive tax strategies and coordinate with your CPA when appropriate.

## Risk & Protection Review

Evaluate insurance, liability, and other protection gaps so your family remains protected.

## Stress Testing / Scenario Planning

Model market, retirement, income, or life-event scenarios to test plan resilience.

### PLANNER NOTE

These six meeting types recur as your life and plan evolve. Frequency is tailored to your planning tier and current priorities.

---

 PURPOSE & LEGACY

### Family Investment Policy Statement

Create your family's financial playbook: goals, priorities, investment philosophy, and decision-making guardrails.

#### STEWARDSHIP BLUEPRINT

### Vision & Values

Clarify values, purpose, and the long-term vision for your life and family.

#### STEWARDSHIP BLUEPRINT

### Wealth & Impact

Align wealth with giving, impact, stewardship, and opportunities to bless others.

#### STEWARDSHIP BLUEPRINT

### Legacy & Family

Shape legacy, family communication, and generational impact.

---

 LIFE EVENTS & SPECIALIZED PLANNING

### Life Event / Major Decision

Guidance around major transitions such as retirement, selling a business, loss of a loved one, or family meetings with children and heirs.

### Philanthropic / Charitable Planning

Design charitable strategies that align generosity, values, legacy, and tax efficiency.

---

 ANNUAL REVIEW

### Annual Stewardship Review

A comprehensive annual review of your financial life, progress, priorities, and next steps. The capstone meeting of every planning year.

*"Planning isn't anxiety with extra steps. Done well, it's how peace gets built."*

— SIG STEWARDSHIP PRINCIPLE

# Three Levels of *Financial Advice.*

Many advisors stop at investments. Elite firms coordinate the major financial areas. At SIG, optimization is the minimum standard — our greater goal is to help you live your Best Life.

## OUR FIVE-STEP CLIENT JOURNEY

# From alignment to *your Best Life*.

01

## Start with Alignment

We begin by understanding your goals, priorities, and what matters most — while determining whether there is strong mutual fit.

02

## Understand Your Life

We take time to understand your family, financial picture, values, concerns, and the assumptions that shape your future.

03

## Build Your Financial Blueprint

We create a personalized financial plan designed around your specific goals and circumstances.

## Live Your Best Life — A Purposeful Life

We help align your wealth with your life, purpose, generosity, family, and legacy.

WHERE SIG STANDS APART

### — WHAT MAKES SIG DIFFERENT

- Optimization is the minimum, not the finish line
- We focus on goals before risk
- Planning assumptions are transparent and intentional
- We coordinate investments, taxes, insurance, and estate planning

### OUR PROMISE

*A life of clarity, confidence, purpose, and lasting impact.*

*Optimize Your Wealth. Align Your Life. Live with Purpose.*
