First Meetings

Our first conversations are complimentary. Formal planning begins when both your family and SIG believe there is strong alignment.

01 • COMPLIMENTARY CONSULTATION & ALIGNMENT

IC

Initial Consultation & Discovery

COMPLIMENTARY

A first conversation to understand your goals, questions, and overall financial picture. We may offer secure eMoney vault access so you can optionally share documents before we meet.

VA

Vision Alignment Meeting

OPTIONAL

A second conversation, when helpful, to include other decision-makers, clarify goals, answer questions, and determine mutual fit.

02 • CLIENT ENGAGEMENT & ACCOUNT SETUP

CE

Client Engagement & Account Setup

When both your family and SIG see strong alignment, your Client Service Associate guides agreements, eMoney setup, document collection, account openings/transfers, and the Risk Profile Questionnaire. Virtual or in person.

03 • FINANCIAL PLAN & STRATEGY

FP

Personalized Financial Plan & Strategy Review

Your planner reviews your financial plan, key opportunities, risks, recommendations, and initial strategy.

SI

Strategy & Implementation Follow-Up

AS NEEDED

A deeper session to refine investment, tax, estate, income, or protection strategies before or during implementation.

90

90-Day Progress Review

Review early progress, completed items, next priorities, and confirm the relationship is moving forward well.

04 • ONGOING PLANNING & OPTIMIZATION

Your plan, continuously *refined*.

Six recurring meeting types that keep your financial life coordinated and current.

FU

Financial Planning Update

Refresh the plan around life changes, goals, family priorities, and new opportunities.

AR

Financial Planning Assumptions Review

Collaboratively review the assumptions driving your plan — retirement age, spending, inflation, longevity, Social Security, and more.

IP

Investment / Portfolio Review

Review portfolio performance, allocation, market conditions, and alignment with your goals.

TP

Tax Planning Meeting

Identify proactive tax strategies and coordinate with your CPA when appropriate.

RP

Risk & Protection Review

Evaluate insurance, liability, and other protection gaps so your family remains protected.

SS

Stress Testing / Scenario Planning

Model market, retirement, income, or life-event scenarios to test plan resilience.

PLANNER NOTE

These six meeting types recur as your life and plan evolve. Frequency is tailored to your planning tier and current priorities.

05 • PURPOSE & LEGACY

IP

Family Investment Policy Statement

Create your family's financial playbook: goals, priorities, investment philosophy, and decision-making guardrails.

V

STEWARDSHIP BLUEPRINT

Vision & Values

Clarify values, purpose, and the long-term vision for your life and family.

W

STEWARDSHIP BLUEPRINT

Wealth & Impact

Align wealth with giving, impact, stewardship, and opportunities to bless others.

L

STEWARDSHIP BLUEPRINT

Legacy & Family

Shape legacy, family communication, and generational impact.

06 • LIFE EVENTS & SPECIALIZED PLANNING

LE

Life Event / Major Decision

Guidance around major transitions such as retirement, selling a business, loss of a loved one, or family meetings with children and heirs.

CP

Philanthropic / Charitable Planning

Design charitable strategies that align generosity, values, legacy, and tax efficiency.

07 • ANNUAL REVIEW

Annual Stewardship Review

A comprehensive annual review of your financial life, progress, priorities, and next steps. The capstone meeting of every planning year.

"Planning isn't anxiety with extra steps. Done well, it's how peace gets built."

HOW SIG GOES BEYOND TRADITIONAL FINANCIAL PLANNING

Three Levels of *Financial Advice*.

Many financial professionals help clients manage investments. Strong firms go further by coordinating major financial areas. At SIG, optimization is the minimum — our greater goal is helping you live your Best Life.

LEVEL 01

Traditional Investment Advisors

PRIMARY FOCUS

- Investment Management

STOPS HERE

Helping clients build and manage an investment portfolio.

LEVEL 02

Elite Financial Planning Firms

PRIMARY FOCUS

- Investment Planning
- Estate Planning
- Insurance Planning
- Tax Planning

STOPS HERE

Helping clients organize and optimize the major areas of their financial life.

LEVEL 03

Strategic Income Group

ALL OF THE ABOVE, PLUS

- Purpose & Values Alignment
- Legacy & Generosity
- Best Life Planning

GOES FURTHER

Helping clients move beyond optimization toward a life of purpose, stewardship, and lasting legacy.

SIG MISSION

Empowering individuals to live their best lives and leave a lasting legacy of financial security and positive impact.

— OUR FIVE-STEP CLIENT JOURNEY

From alignment to *your Best Life*.

01 Start with Alignment

Understanding goals, priorities, and what matters most — while determining mutual fit.

02 Understand Your Life

Family, financial picture, values, concerns, and the assumptions that shape your future.

03 Build Your Financial Blueprint

MOST ADVISORS STOP HERE

A personalized financial plan designed around your specific goals and circumstances.

04 Optimize Your Financial Life

ELITE FIRMS STOP HERE

Coordinating Investments · Estate · Insurance · Taxes so every area works together intentionally.

05 Live Your Best Life

WHERE SIG STANDS APART

Aligning wealth with life, purpose, generosity, family, and legacy.

— WHAT MAKES SIG DIFFERENT

- Optimization is the minimum, not the finish line
- We focus on goals before risk
- Assumptions are transparent and intentional
- We coordinate all major financial areas

OUR PROMISE

A life of clarity, confidence, purpose, and lasting impact.

Optimize Your Wealth. Align Your Life. Live with Purpose.
